Dear Funding Applicant,

Thank you for your interest in supporting Union County's youngest citizens and their families by applying for funding from Alliance for Children. Each year, with the help of our partners, we serve thousands of children and families in Union County and work to ensure that every child is prepared for success when entering kindergarten.

Enclosed is the information you will need to complete the application process for Smart Start funding for the 2019-2020 grant year.

Please review the bid packet carefully and bring your questions and concerns to the January 9th Bidders' Conference at the Union County Public Library at 316 E. Windsor St, Monroe, NC from 11:00 AM to noon. Proposals are due by NOON on Friday, February 1, 2019. Notifications regarding funding status/allocation will be sent during the first week in June.

We value your efforts to help our community and Alliance for Children equip young children for success!

Sincerely,

Linda Smith
